Career Overview

Collin Mbiriri is an enthusiastic, highly assertive and hardworking individual who works well as part of a team and on my own using own initiative. He has excellent communication skills and an ability to relate at all levels of commercial and social contacts. Collin is extremely ambitious, goal oriented with a clear concise vision of future objectives. Having worked for/with big brands such as Audi, Chevrolet, Isuzu, Opel, PEP amongst others, Collin is a Creative leader & Retail Specialist with 14 + years of experience and extensive expertise on both client and platform side – with a talent for developing unique custom artwork.

Collin has worked in senior roles closely with different stakeholders in Operations Research & Development and Production. Such interactions have resulted in Collin having a well-rounded corporate exposure. Collin has led various projects successfully with groundbreaking results. He possesses excellent organizational and planning skills through managing various projects with substantial budgets and small budgets likewise and his stewardship in the corporate media environment has not only made him a sharp strategist , but a dynamic creative thinker and a force to be reckoned with.
